Welcome Message U21 Word Deaf Futsal Championships Brazil, São Paulo 2026

“It is with great joy and honor that we welcome all participating countries to the U21 Word Deaf Futsal Championships, which will take place in São Paulo, Brazil, in 2026.

This event is much more than a competition — it is a celebration of youth, talent, and inclusion. Hosting this championship marks an important step in strengthening U21 futsal on the international stage and reinforces our commitment to the development of deaf children and adolescents through sport.

As President of the Brazilian Deaf Sports Confederation (CBDS), I am deeply grateful for the trust placed in us by the International Committee of Sports for the Deaf (ICSD), which recently granted us official certification to host this prestigious event. This achievement strengthens our mission to encourage, support, and value young deaf athletes around the world.

I wish all delegations a wonderful experience, full of happiness, learning, and unity among nations.

CBDS is fully available to provide all necessary support, with hospitality, respect, and professionalism.”
